

Assignment: Favorite animal fact site

Instructions:

- In a new personal repository, not the one we generated for you, create an HTML file that outlines your favorite animal.
- The page should have:
 - a. The animal name (Header) Hint: title and header are not the same in HTML.
 - b. A description of the animal (if only there was something that is like a paragraph in an essay)
 - c. A list of facts

Submission Guidelines:

- Show it to a TA
